

- > We have lots of activities! (plus just enough free time)
- > In previous years we have done:
  - > Obstacle course
  - > Various types of relay races
  - > Cub Olympics (softball throw, long jump, 100yd dash etc)
  - > Nature Bingo (I made up pictures with things found in nature)
  - > Taught Whittlin Chip
  - > Leaf print tee shirts
  - > Made an edible campfire - great for teaching about firebuilding & safety and it's a snack too!
- > Here are some of the ideas for our campout in 2 weeks. We are meeting tomorrow and will narrow it down
- > All ranks - doing the new Geology loop& pin (it looks like fun!) I buy crack your own geodes from Oriental trading - lots of fun.
- > Webelos will be working on Geology Activity pin & Outdoorsman & Naturalist (different requirements - not completing all 3!)
- > They will also do some dutch oven desserts and cook their own lunch.
- > Bears will be doing "Shavings & Chips", shadow prints and animal track plaster casts
- > Wolves will be having a treasure hunt, Plant Identification (poisonous) and working on birds watching
- > Tigers will be making a bird feeder, leaf print t-shirts
- > Plus we are having a fishing derby and working on the fishing loop
- > We are also doing bb or archery
- > It is also the halloween weekend and they have hayrides, carnival games and a Trail of Terror to walk through.
- > We also have lots of free time for parents can just hike, fish or whatever with their child.
- > We just over plan and make sure that we have activities than can be done indoors in case of rain.
- > I hope this helps.
