

Make Your Own Holiday Ornaments

The custom of decorating a White House Christmas Tree dates back to 1889. You can create these fun and easy ornaments for your own holiday tree!

Materials:

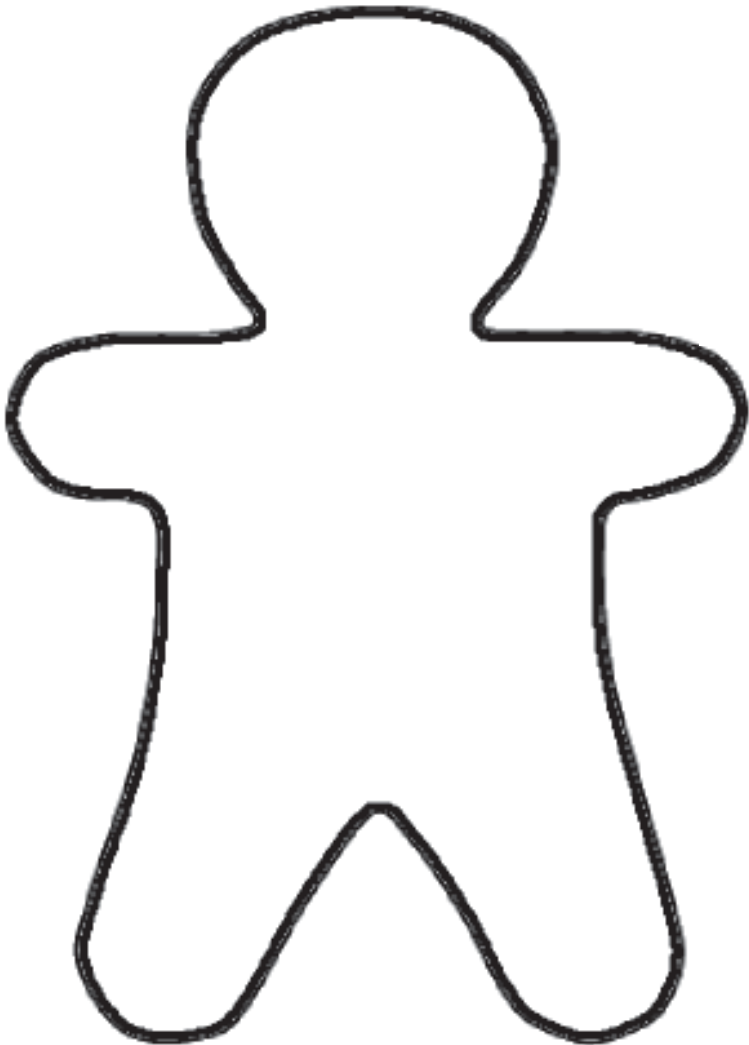

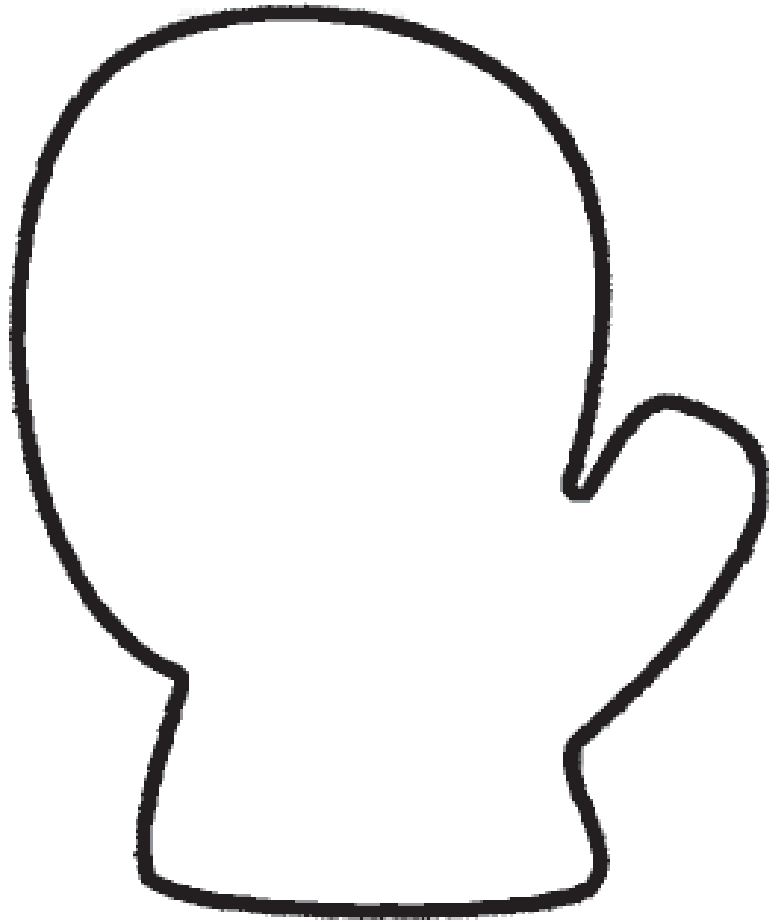

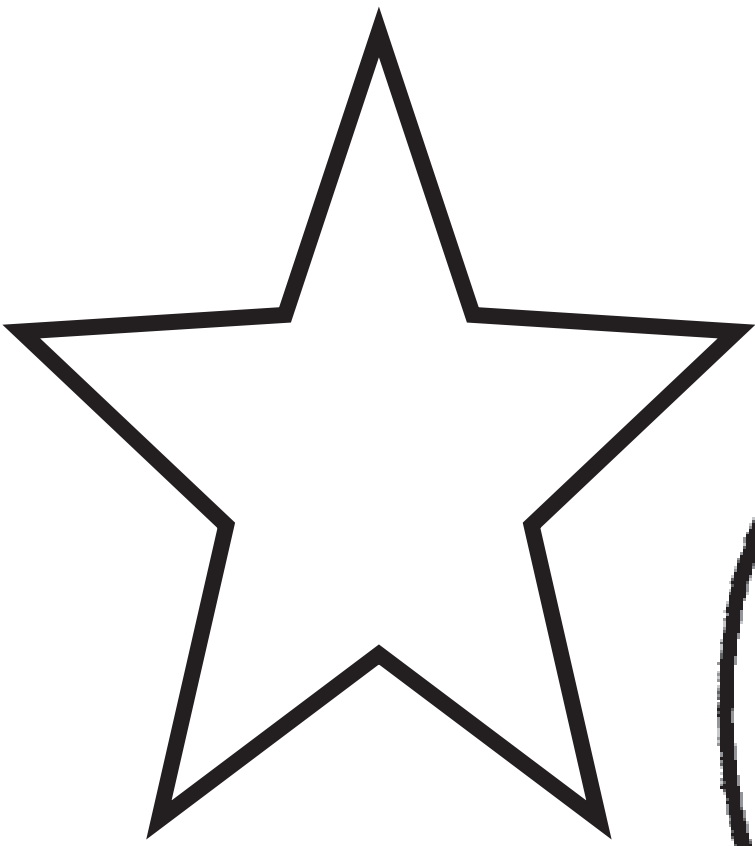

- Holiday Ornament Templates
- Card stock or other heavy paper
- Craft foam
- Gold metallic cording
- Scissors
- Hole punch
- Glue
- Markers, sequins, foam shapes

Procedure:

1. Trace the Holiday Ornament Templates onto heavy cardstock and cut out to create templates.
2. Trace templates onto craft foam. Cut out shapes.
3. Decorate shapes with markers, sequins, foam shapes or other trim.
4. Punch hole at top of ornament.
5. Cut approximately 8" piece of gold cording. Thread through hole in ornament and tie in a knot to hang from tree.
