

THE DAYS ARE JUST PACKED

(Compliments of this Facebook Group)

Here is our complete list of 500 adventures and challenges. The list is flexible, can change if we think of something new and should be a lot of fun to try!

- Some are small some are big.
- Some take minutes some take days or even weeks.
- Some require careful planning some will be opportunistic.
- Some will only be possible when the boys get much older.
- Some are huge in planning, logistics and effort.
- Some teach lessons, the importance of charity, or community.
- Others are for the sheer pleasure of silliness and fun.

Any suggestions for other challenges or adventures are most welcome.

The list is provided for all to use.
